

# But let me be clear: I am “left.”

2008-02-28 19:17:28

But let me be clear: I am “left.” I still have no problem when someone describes me with the “s” word socialist although. I don’t much care if you call me a social democrat, left-liberal, or some other proximate term. My “leftism” comes from a commitment to and an ethos of democratic humanism and social egalitarianism.
